iconvenience in Jan. Il last:
"Having recently joined the Twentisth Infantry, to report the result of the experiences of the regiment during the recent campaign in Cuba. I have consulted Lieutenant Colonel W. S. Mc-Caskey, Twentieth infantry, the offers who commanded the regiment during the active operations of Santiage & Cuba and its movements to the present data. The following is the experience.

email quantities of canned fresh beef were issued to my command. It being practicable to supply fresh beef from refrigerator cars."

Among the many other opinions were

the following:
Captain J. H. Shellabarger, Tenth
infantry: "The beef was nauseating."
Colonel L. D. Russey, Tenth infantry:
"After continued use the canned beet
became so nauseating that the men could not eat it." Colonel Smith, Thirteenth infantry

Corone Smith, Interest of the was not a fit ration." Major VanHorm, Twenty-second inantry: The canned beef was nothing more than the refuse of beef after oup had been made from it."

A board of officers expressed the opinion for the Twenty-fifth regiment.

ey found the beef so unpaktable, ipid and worthless that it had not The board then adjourned until Mon

### THE CRISIS IN CHINA.

### Refugee Statesman Tells Why He Fled.

Victoria, B. C., April 8.-Kang Victoria, B. C., April 8.—Kang Yu Wai, the Chinese refuges statesman, who arrived here last night, spent the day in addressing assemblies of his fellow countrymen, and detailing to them the reasons which led to his overthrow and the present condition of the crisis in China. Kang does not understand a word of English. This is his first journey from China.

In an interview today, he stated that the object of his visit to London is for the purpose of laying before the foreign office the unhappy state of affairs in his matter land and endeavoring to emist England's aid in freeing the emisting the state of the purpose of the purpose of laying before the foreign office the unhappy state of affairs in his native land and endeavoring to emist England's aid in freeing the em-

his native land and endeavoring to en-lest England's aid in freeing the em-press dowager of her strange infatur-tion for the Hussians.

Kang is still a young man, not over to years of age. He says he has been a close student of the higtory of all na-tions, and frequently drew the atten-tion of the deposed emperor to the fact that those nations which adopted med-cum methods forced ahead, while those which did not retrograded. He is ne-companied by a private secretary and a representative of the Jananese gov-ernment, who is accredited to present

### Medill's Stuff Got In.

The death of Joseph Medill of the The death of Joseph Medin of the Chicago Tribune recalls a quaint little adventure," remarked a local squibbler on the New Orienns Times-Democrat. "I got a job on the Trib, as we called it, back in '88, and, like many reporters, never bothered my head about anything outside the local room. In fact, I hardly knew who owned the paper. One day the city editor asked me to zo out. and the proper of the Japanese government, who is accredited to present at European courts, as the Chinese is at European courts, as the Chinese issular service has been instructed to ore him.

It is states that during the regime of late emperor he succeeded in securiarge grants of money, sufficient to the mayy in a fair condition, but compress dowager spent these sums beautifying her garden.

Le she who owned the paper. One day the city editor asked me to go ut and get some opinions from old citizens about a certain gas franchise, and while wandering around 1 happened to encounter a benevolent-looking old gentleman in the book store of Jansen & McClurg & McClurg & Co. He seemed like a substantial city and the gave me a very meaty talk, right in line with the paper's policy.

the empress dowager spent these sums in beautifying her garden.

He believes that officialism may retard the development for a few years, but that in the end nothing can prevent China from becoming a great mation.

He intends to visit all the countries of flurone with the exception of Russia, which he hares.

THE RACE IS FINISHED.

THE RACE IS FINISHED.

Hegeiman Wirs the Go-as-you-please Contest.

New York, April 8.—The close of the twenty-four-hour go-as-you-please race at the Grand Central Palace tonight was mid and uninteresting. Out of the thirty-three starters only ten men finished. The list of competitors dwinded down to this number after 5 of clock this evening, and the difference in distance between them was not such as to promise any spirited spiritus for the men off like track for a rest prelike years and the gave me a very meaty tatk, right in line with the paper's policy.

"When I asked him his name I understood him to say McGill. He added that he was in the paper business, so I put him down as 'Mr, McGill. The added that he was in the paper unsiness? so I put him down as 'Mr, McGill. The added that he was in the paper unsiness? so I put him down as 'Mr, McGill. The added that he was in the paper unsiness? so I put him down as 'Mr, McGill. The added that he was in the paper unsiness? so I put him down as 'Mr, McGill. The well-known wall-paper man.' As I was about to go out he remarked pleasantly that he was in the paper unsiness? so I put him down as 'Mr, McGill. The well-known wall-paper man.' As I was about to go out he remarked pleasantly that he was in the paper unsiness? so I put him down as 'Mr, McGill. The well-known wall-paper man.' As I was about to go out he remarked pleasantly that he was in the paper unsiness? so I put him down as 'Mr, McGill. The well-known wall-paper man.' As I was about him down as 'Mr, McGill. The well-known wall-paper man.' As I was a the was in the paper unsiness? so I put him down as 'Mr, McGill. The well-known wall-paper man.' As I was a the was in the paper u truth. Presently the old man saw me and at once walked over to my desk, My blood ran cold. Well, my boy, he said kindly, it seems I was luckier than you; my stuff got in."

INDUSTRIOUS BROKER'S WAY OF GETTING NEW CUSTOMERS.

Alluring Bait Held Out to Confiding Women By a Glib-tongued Feminine Steerer-How the Game Is Played By the Tyros and Their Experiences.

(New York Sun.)
The bucketshops for women had a busy time last week. Many of their cut-of-town customers came in to do Easter shopping, and incidentally ing. As they found several stocks run-

ing. As they found several stocks running up and down, many of them decided to stop awhile and take advantage of their chances.

"We thought we'd just drop in and
see how stocks were selling," explained
the tallest of three\_martly-dressed
young women to the woman manager
as they walked into the parter of a
well-known bucketshop. "We are in
town today shopping, and we thought
we'd come in, and, if anything took
our fancy, we'd buy."

"Then you have never dealt in
stocks?" questioned the woman mananger, blandly.

"Then you have never dealt in stocks?" questioned the woman manager, blandly.

"Oh no." the girl assured her. "That's what we've come for now. If we like them we'll buy."

"Then suppose you sit here, where you can see the board"—the woman manager pushed forward a sofa and armchair—"and I'll explain things to you. Oh, it won't take you long to understand." And she began her usual course of instruction.

"My! I hadn't any idea you bought them that way," said the third girl of the trio. "Why, a friend of mine said she heard that a millionaire on Wall street told his friend of buy A. O. T., and his friend asked what that meant, and he said, 'Any old thing.' So my friend came in and bought a stock that she had never heard of, and she made enough money to take her abroad this summer. That's what I want to do. I say Jennie," punching the tail girl with her umbrella. "I' am going to buy those marked B-K-R-T. See how it is changing."

"Bk. R. T.," corrected the woman.

changing."

"Bk. R. T.," corrected the woman manager, "Brooklyn Rapid Transit. Yes, it's very active," and she piloted the girl over to the cashler's desk.

THEIR FIRST DEALS IN STOCKS.

"What are you going to buy, Kats?" asked the first purchaser, as she took her seat and crumpled her slip of paper into her purse. Kate hesitated blushed, hung her head and finally said she did-

hung her head and finally said she did-n't think size'd better buy.

"Oh, yes, do it, Kate. Frank'll never know, and think how many things you might add to your trousseau. Or you might even make enough to buy you a piano. Go and buy some of the kind I bought. Don't you see it's going up? I bought at 10a, and now it's a half noint higher. My! Half a point! Ain't I coming out? We'll learn all about Wall street methods if we stay here much longer."
"Brooklyn Rapid Trangit 10a!" called

There was a wall of despair from the straightened out, her legs, tossed ber arms over her head, and rolled to the floor from her chair. The weman manager, the blackboard boy, and all the floor from her chair. The weman manager, the blackboard boy, and all the floor from her chair. The weman manager, the blackboard boy, and all the floor from her chair was a straight of the floor from her chair and toesing soft cushions. COLLEGE BOYS AS "SUPES." "I met her at luncheon," added yet another speculator in an active stock. "She took her sent at the same table, and from talking about the salad we fell to discussing the Lawson pink, and how much it sold for, and then she told me about her big deal in stocks. I think"—

"Whom are you talking about, ladies," the manager inquired, as she joined the group.

"Mrs. Smithingson."

"No. Miss Amelia Stanley."

"Miss Falkner," contradicted a third.
"Mrs. John Harden Castleweight, asserted a large woman with dignity. "I brought you her card of introduction this morning."

"Whom are you talking about, ladies?" the manager inquired, as she joined the group.
"Mrs. Smithingson."
"No. Miss Amelia Stanley."
"Miss. Falkner, contradicted a third, "Mrs. John Harden Custleweight, asserted a large woman with dignity, "I gave you her card of introduction this morning."
"And I told you that I knew of no such person," the lady manager replied with equal dignity.
"I gave you her card of introduction yesterday morning as Miss Amelia Stanley," plped the voice of the speculator in Tobacco.
"I told you I had no recollection of the mame, Can you describe her to me."
"Why! Why! Where is shot?" was the chorus of exclamations, and the women gazed around the room in amazement. Some of them even went to the trouble to look behind the sofas, but all to no avail, for the fortunate investor with her variety of names had disappeared, and neither the woman manager, the cashler, nor the blackboard boy had any recollection of having seen her take her departure.

THEY LOSE, AS USUAL.

Then the stranger up and told' him what his 'graft' was.
"I'm the cashier of a bank up in Westchester county,' said he to 'Lattle Johnny' and the told the time and the pour and the robberd by professional cracksmen. This was the chorus ef exclamations, and the women manager, the cashler nor the black board boy had any recollection of having seen her take her departure.

THEY LOSE, AS USUAL.

Then the stranger up and told' him what his 'graft' was.
"The the cashier of a bank up in Westchester county,' said he to 'Lattle Johnny' was cay and the told the young and the told the promited the pour of the problem of the speculation of the speculation of the speculation of the problem of the problem

and divide the difference. Then they discovered that Jennie had not only lost her margin, but all the money invested, and that their combined winnings would not entirely replace her loss.

"What do you think became of her?" one of the girls asked of a handson ely dressed woman, whom they had noticed among the speculators as they waited for the elevator.

"Who, the woman with such a variety of visiting cards? Oh, I suppose she is out on the street working the same game with other innocents. All the shops have them. I dare say if we went back tomorrow she would be there in another gown and a different shade of hair. Of course, we wouldn't recognize her, but the woman manager and cashier would. I suppose she is one of the firm. She attracts new customers. One of them pulled me in more than ten years ago. I liked the excitement, so I made a study of the business, and once in a while drop into that place and buy." for the elevator.

"Who, the woman with such a variety of visiting cards? Oh. I suppose sale is out on the street working the same game with other innocents. All the shops have them. I dare say if we went back tomorrow she would be there in another gown and a different shade of hair. Of course, we wouldn't recognize her, but the woman manager and cashier would. I suppose she is one of the firm. She attracts new customers, one of them pulled me in more than ten years ago.
